Dear Friends,

I am pleased to extend warm greetings to everyone gathered for "The Big Reveal" of the Chesapeake Bay-Friendly Horse Farm Project.

Your celebration is a testament to the pride you take in your community and in the Commonwealth of Virginia. The demonstration farm shows how making environmentally friendly changes can be affordable and make it easier for horse owners to do their daily chores. I commend you for your determination to address the environmental issues found on horse properties.

Please accept my very best wishes for continued success and progress in the years to come.

Sincerely,
