

## Conservation Capsule Request

Please give us 2 weeks' notice for a capsule request, as we'll need time to make sure the capsule is in order. Thank you!

Guidelines:

Remember that these capsules are being used by multiple schools and groups across Prince William County and the City of Manassas. We ask that you please return all capsules you use in the condition in which they were received, make sure all pieces are dry and clean, and return the capsule on its due date, regardless of any unanticipated inconveniences. That way, it will be ready for use by the next teacher/school. Our capsule schedules get very tight during the school year, so it's hard for us to grant extensions. Thank you for your understanding and participation in our Conservation Capsules program!
